POPCORN WITH A TASTY TWIST!

Using the finest premium corn, Rollover has developed a great **NEW** popcorn offer, creating three **NEW** whacky popcorn flavours, Rhubarb & Custard, Toffee Apple and Banoffee. These are all delivered as part of a **NEW** machine based concept to deliver warm, fresh popcorn to your customers.

- 🍿 Unusual but well known flavours, which can all be mixed to give the ultimate taste sensation
- 🍿 Displayed in heated warming cabinets on specially designed mobile carts for a cinema-style popcorn experience
- 🍿 Striking and eye catching branding

- 🍿 Dispensed into 1 litre re-sealable biodegradable tubs
- 🍿 Expandable range of flavours including: Rhubarb & Custard, Toffee Apple, Sweet, Banoffee, Toffee & Salted and **NEW** for 2010 Lemon Sherbert!
